Save hundreds of dollars with a little Good Cents.* Whether you're building, remodeling or thinking about new heating or cooling equipment, it can really pay *you* to have a Good Cents home.

What is Good Cents? Good Cents is the new energy savings program from NIPSCO. It helps NIPSCO customers know the right things to do to save energy *and* save money on energy bills. And be comfortable year-round.

NIPSCO can help. When Good Cents standards are met, including the use of high efficiency heating and cooling equipment, your home will be Good Cents-certified for energy efficiency.

Save energy, save money, and get year-round comfort. Ask your builder or heating and air conditioning contractor about the advantages of an energy-efficient heating and cooling system. Or call the Good Cents hotline *first* for more information.

1-800-433-0880

Good Cents Is The First Decision You Should Make.

*Compared to a baseline/typical home in NIPSCO service territory.
